Dear Tasnim,

As mentioned I needed to confirm regarding the POPI Act, which I have now gotten feedback on. We are not permitted to share the stakeholder database without consent from all the I&APS.

Could you continue with submission to the appeals administrator and also send the appeal to us, we will then circulate the appeal to the entire stakeholder list for the Boulder's wind Farm, with the inclusion of your email addresses in copy.

I will ensure that this is all done within the timeframe.

Kind regards,  
Skye
