

ENVIRONMENTAL AND SOCIAL ADVISORY SERVICES

ENVIRONMENTAL ASSESSMENT PRACTITIONER: REMOTE

(BRANCHES: CAPE TOWN Western Cape, QGBERHA Eastern Cape, MAKHANDA Eastern Cape, EAST LONDON Eastern Cape, GAUTENG)

Coastal and Environmental Services (CES) seeks an experienced Environmental Assessment Practitioner with particular experience in the mining sector, and experience in undertaking ESIA's aligned with the International Finance Corporations Performance Standards. A relevant Master's degree with at least 5 years' experience, or an Honours degree with at least 7 years' experience is required. This formal qualification must be a relevant environmental or social degree that focuses on environmental impact assessments and environmental management.

The primary function will be to manage and execute the various mining-related environmental projects CES has in the South African and International sector. These projects are across Africa and primarily involve undertaking ESIA's, ESMP and Resettlement Action Plans.

Shortlisted candidates will receive a more detailed job description.

CV's need to be sent to Muranda Altichiero – m.altichiero@cesnet.co.za

Closing date: 17 April 2024

If no response from CES by 17 May 2024, then your application was not successful.
