March 2018

THANK YOU FROM HOSPICE!

Another annual Hospice Golf Day has been played and the day would not have been the success it was without our sponsors. We would like to extend our sincere thanks to you for your involvement and donation towards the golf day which was held yesterday at The Belmont Golf Course.

It was a great day for golf, ending with some much needed rains. Not only did the golfers have a good day with great prizes, but we all enjoyed a bit of rain while raising over R50 000.00 for Hospice. Without the support of the Grahamstown community and businesses like yourselves, this main fundraiser for Hospice would not have become the success it is today.

We thank you for the valuable role you played in ensuring this, and for your continued support of Hospice!

Kind regards

Cathy
