

ENVIRONMENTAL AND SOCIAL ADVISORY SERVICES

**SENIOR ARCHAEOLOGIST & HERITAGE CONSULTANT: REMOTE
(BRANCH: GAUTENG)**

Coastal and Environmental Services (CES) is expanding our growing heritage team and seeks to employ an experienced archaeologist & Culture Resources Management (CRM) consultant. A relevant Master's degree with at least 2 years' experience, or an Honours degree with at least 4 years' experience is required. This academic qualification must be a relevant degree at the honours level (either a BSc, BA Hons or BHCS) in archaeology. The successful candidate must be accredited with the CRM Section of the Association of Southern African Professional Archaeologists and registration with the Association of Professional Heritage Practitioners (APHP) will be a distinct advantage. The candidate must be experienced in archaeological fieldwork (site surveys, sampling strategies and heritage site management), be prepared to travel extensively and they must be prepared to work as part of a likeminded team of specialists. Proven experience and skills in Archaeological and Heritage Impact Assessment specialist report writing is required and a record of scientific publications will be advantageous.

The candidate must possess a working knowledge of South African heritage legislation and South African Heritage Resources Agency (SAHRA) processes and procedures for CRM work. As we work extensively in Africa, knowledge of the IFC Performance Standards, and especially applications of Performance standards 7 and 8 will be a distinct advantage.

Shortlisted candidates will receive a more detailed job description.

CV's need to be sent to Muranda Altichiero – m.altichiero@cesnet.co.za

Closing date: 17 April 2024

If no response from CES by 17 May 2024 then your application was not successful.
