## PROFILE

### Ms Nicole Wienand

Ms Nicole Wienand is an Environmental Consultant with less than 1 years' experience, based in the Port Elizabeth branch. Nicole obtained her BSc Honours in Botany (Environmental Management) Cum Laude from Nelson Mandela University (NMU) in December 2018. She also holds a BSc Degree in Environmental Management (Cum Laude) from NMU. Nicole's honours project focused on the composition of subtidal marine benthic communities on warm temperate reefs off the coast of Port Elizabeth (a baseline survey) and for her undergraduate project she investigated dune movement in Sardinia Bay. Although she is new to the environmental consulting field, her key interests include marine ecology, GIS Mapping, the general EIA process, Public Participation Process (PPP) and Ecological Impact Assessments
