Case: Consideration

Me Vladislav Fila and my clients where hunting with Murry Crous at "Honeykop lodge" and "Bushmans Gorge Lodge" the last years. We are in hunting business "Settlers Safaris".

We are planning to hunt there also in future, but when in the close area would be wind turbines we would not come! Me and my clients would like to visit virgin nature of Africa and no view with wind turbines.

Dear Murray

I am saddened to hear of this potential wind turbine issue. After hunting with Settlers Safaris I know a problem like this will obviously cause an issue with your business at Bushmans Gorge. This will affect the animal numbers and quality and hence my clients may think twice about rebooking. This has consequences for your business and also mine.

I am certainly against this proposal. There are plenty of other locations these can be housed, certainly not anywhere near a game reserve such as yours.

Please let me know how things progress.

Yours faithfully

Adrian
