To whom it may concern

The Centre for Social Development would like to thank you for your generous donation of office furniture. As a self-funded NPO, we are not able to afford infrastructural supplies. Having the opportunity to receive furnishings, notice boards and files, allows us to improve the appearance of our working space and improves the working lives of our staff. The second-hand files are invaluable for our ECD practitioners who do not have the means to afford office stationary but have to produce a Portfolio of Evidence (PoE) as part of their assessment on their courses.

Many thanks for considering us and giving so generously.

Dr Giuletta Harrison

Director
