Dear Muranda

Thank you letter for donation of R500

United Teenagers F.C. wishes to thank you for your invaluable support that you gave to the club especially at the time when the club was in serious need of support especially with regards to soccer balls. Your support meant that the club managed to buy two soccer balls and the remainder of the money was used to repair our old balls and for transport. As mentioned in our letter requesting support our team is comprised of learners who rely on pensioners and seasonal workers.

Again the club wishes to sincerely thank you for your and hope that you will keep supporting us even next time.

Thanking you

A handwritten signature in black ink, appearing to read 'Godfrey Piet', is written over the typed name.

Godfrey Piet
