Dear Muranda

**Sincere Thank You: Office desks for 2 Early Childhood Practitioners**

We would like to thank you most sincerely for the wonderful gift of two desks. We have been in need of these desks for so long, but just have not had the funding to purchase them. They will be used daily and thank you for your generosity in contacting NGO's in Grahamstown to inquire about their need for office furniture.

Yours sincerely,

Anneliese Maritz
