PROFILE

Miss Tamera Pillay

Tamera is an Environmental Consultant and is a registered Candidate EAP with the Environmental Assessment Practitioners Association of South Africa (EAPASA) as well as a Certified Natural Scientist with the South African Council for Natural Scientific Professions (SACNASP). Ms. Pillay holds a Bachelor Science Honours Degree in Environmental Science that was obtained at the University of KwaZulu-Natal in 2021. Her honours project entailed forest degradation research and the development of conservation measures to prevent forest fragmentation. Tamera's academic background knowledge includes biology, ecology and environmental management. Tamera has project experience in renewable energy projects, logistics sequencing facilities, schools, residential developments, shopping centres, water pipelines, residential houses, container parks, roads, petrol filling stations and bridges and culverts. These were in the form of various environmental projects such as Environmental Impact Assessments, Basic Assessments, Water Use License Applications, ECO functions, external and internal audits, due diligence audits, water monitoring and public participation processes.
